

CAMERA DI COMMERCIO ITALO SUDAFRICANA
ITALIAN SOUTH AFRICAN CHAMBER OF TRADE AND INDUSTRIES

Johannesburg 11 August 2014

On the 9-10 September, key PhotoVoltaic developers will come together in Johannesburg to outline their vision for the development of solar photovoltaics in Africa. Key mining companies, developers and associates will all be in attendance to share their thoughts on how solar power can improve the quality of life in Africa.

Members of the Italian Chamber of Commerce are invited to join in on the discussion about renewable energies and their future in South Africa. As an incentive for members of the chamber, PV insider, as the hosts of the event, have offered an exclusive €150 off any selected conference pass using the code "ITALCHAM150" when you register at:

<https://secure.firstconf.com/pvinsider/africa/register.php>.

Confirmed participating companies include, SolarCapital, Eskom Mott MacDonald, Anglo American, Nedbank Capital, Juwi Renewables and Investec, to name a few. For any further information or enquiries please contact info@italcham.co.za or call 011 6153906.
